Sponsorship and Voluntary Donations

For the last season, the club restricted investment in line with the restricted sponsorship requests made after the flooding. The hard (and mostly unseen) work of a small number of volunteers helped the club maintain activities throughout the season.

If you can assist with obtaining Sponsorship towards playing gear, training equipment, match day costs, etc. the club would be happy to acknowledge this support with photographs, logos on playing gear, match day banners, etc.

The club would be grateful for any voluntary donations for specific team costs, general club costs items of equipment, etc. that you are able to make.
