

**Strictly Private & Confidential**

Name of Applicant	Wiktoria Rzelunowska
National Vetting Bureau Application Date	9/7/2025
National Vetting Bureau Application #	BB1001-20250709-00375
<b>Expiry Date</b>	<b>9/7/2028</b>

This letter confirms that the above-named applicant has been Garda Vetted by Basketball Ireland. The National Vetting Bureau did not disclose any information that would deem them inappropriate to work with children and/or vulnerable adults.

This vetting status is effective at the date the application was made, as indicated above.

\*Applicants must inform Basketball Ireland should they become subject to prosecution or investigation during their involvement with the organisation, and in such circumstances, a further National Vetting Bureau application must be submitted.

It is a Basketball Ireland Policy to re-vet every 3 years.

It is up to the applicant, to inform BI or your club, when you are due for vetting renewal.

Please note that the threshold of suitability (to work with children and/or vulnerable adults) is determined by Basketball Ireland in accordance with the Basketball Ireland Safeguarding Policy. The vetting application is an important step in this process but, of itself, does not solely qualify the individual to work with children and/or vulnerable adults. Basketball Ireland holds the right to re-vet members on a random basis.

Basketball Ireland is committed to the safeguarding of children and vulnerable adults, in ensuring the implementation of best practice in this regard and compliance with our statutory obligations.

*This letter is available As Gaeilge by email request.*

Yours sincerely,

National Children's Officer  
Garda Vetting Liaison (Ref #1805)
